Language Lessons for a Living Education 2 - Kristen Pratt - 2018-05-11

Students will move beyond pages of text to make real-world connections as this exciting new series guides your young learner toward mastery of reading, grammar, and vocabulary, as well as the mechanics of communication and writing. Utilizing phonics, observation, and reading comprehension through poems, stories, and real books as the foundation, your student will start forming basic sentences. This story-based approach, focused on young students Claire and Micah, uses Charlotte Mason ideas for the modern homeschool student with character building themes. Each quarter has five stories, two picture studies (one of which is Bible-based), and two poems (one of which is a Psalm). Using the spelling words and the Dictionary Worksheets student will create their very own dictionary as they move week by week through the material. Developing early reading and narration skills, by the end of the course, students should be able to comfortably write up to three sentences at a time.
